1.5 Hours Towards Your RAC Recertification

Location: [Webinar](#)

Program Manager: [Rowena Soriano](#)

Speaker: Susan Bain, Eri Hirumi

Come and join us for a free webinar. Come and learn what a Regulatory Affairs Specialist does. How did they get where they are?

Topics covered include:

What is a Regulatory Affairs (RA) in general?

What does a RA specialist do?

What is the wide spectrum of opportunities?

What are the learning opportunities in a large company vs a start up?

What is a typical day?

What are the sub-specialties with this job?

What skill sets are important?

Some tips on how to start in the career.

Some tips on how to transition into a regulatory affairs career.

Target audience:

Students molding their careers

Mid-career professionals starting a new path

Anyone interested in finding out about Regulatory Affairs Specialists

Anyone that needs to work with Regulatory Affairs Specialists

Cost: Free to all but need to register.

Susan Bain

Photo and Bio coming soon.

Eri Hirumi

Eri Hirumi is the Manager of International Regulatory and Compliance for MicroVention, Inc. She manages the global registration of neurovascular and peripheral implants and access catheters. Armed with over 30 years of experience in the Medical Device industry, she continues to expand her regulatory knowledge in pre and post market regulatory requirements in the global market. Strong labeling and clinical knowledge aid in the facilitation of submissions for these high-risk products.

RA Registration Instructions

It is important that you register with the name and email address where you want the webinar information sent and with the name you want to appear on the certificate of attendance.

Certificates of attendance will be emailed within a day of the event.
