AbbVie Irvine Campus

Join Us at the OCRA Spring Seminar on Feb 13th at the Abbvie Campus in Irvine, CA!

The conference features renowned leaders and speakers from the FDB, Notified Body, and industry, who will gather to present, discuss, and share insights on the latest regulatory, quality, and compliance trends and topics in life science industries. This half-day conference provides you and your team a cost-effective way to receive education and training from respected subject matter experts and leaders and obtain continuing professional education credits to maintain certifications.

In addition, our conference offers the perfect environment for networking and engaging in meaningful interactions with leaders and like-minded peers, fostering a more personal and connected experience. Visit www.ocra-dg.org for detailed schedule, agenda, speakers, registrations, sponsorships, and exhibit information!
